

# Join the MOSAIC

of the Spurwink Humanitarian Host Committee

  
**JUNE 2, 2022 | 5PM-8PM**  
**THOMPSON'S POINT | PORTLAND**

Spurwink is a mosaic of individuals, who together comprise our vibrant and brilliant community. The pandemic has threatened to shatter many parts of our lives, but we have worked hard to stay connected and come together in new ways. Now, together, we have the opportunity to shine brighter than ever with your support. As a Host Committee member you show your dedication to over 7,300 children, adults, and families facing behavioral health challenges in Maine. We look forward to celebrating in person at Brick South once again and highlighting how our community continues to come together to support our neighbors. Proof of vaccination required and masks are encouraged.

## **ARTISAN Host Committee: \$1,000**
