

SPURWINK
HUMANITARIAN

MOSAIC *Sea Glass*

HUMANITARIAN HOST COMMITTEE

MAY 4, 2023 | 5:30 PM-8:30 PM
OCEAN GATEWAY | 14 OCEAN GATEWAY PIER, PORTLAND

Spurwink is a mosaic of people who are committed to building resilience and providing compassion to others on a journey to better health. This year's theme —Sea Glass— reflects a beautiful metaphor for the path that Spurwink walks alongside the people we serve. Sea glass transforms from shards of glass into beautiful, softened shapes that capture light and the imagination, as it makes its own path through uncertain ocean waters. Spurwink helps to navigate life's uncertainties, and as a Host Committee member, you help over 8,000 children, adults, and families facing behavioral health challenges in Maine on their own journeys to better health. We look forward to celebrating with you at a new location, Ocean Gateway, and highlighting how our community builds resilience and comes together to support each other.
