BEHAVIORAL HEALTH CARE COORDINATION

Spurwink's Behavioral Health Home (BHH) Service Offers a Team-Based Approach to Case Management

WHO WE SERVE:

- Youth ages 0-20 with MaineCare who have a behavioral health diagnosis, Intellectual Disability, or Autism Spectrum Disorder

YOUR BHH TEAM PROVIDES:

- Coordination of all services involved in your child's treatment
- Help identifying natural & community supports
- Assistance with school meetings & educational advocacy
- Connection to a Youth & Family Support Partner who has lived experience navigating systems
- Transition planning from child to adult services

BHH HELPS CHILDREN & FAMILIES BY:

- Implementing individualized plans that address a child's whole health
- Making referrals, coordinating services, & finding resources
- Addressing chronic health concerns
- Collaborating with medical providers to improve overall health

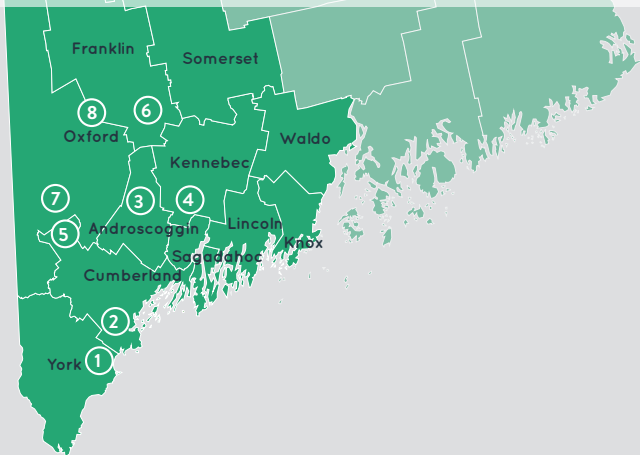

YOUR CHILD'S BHH TEAM INCLUDES:

- Care Coordinator (Case Manager)
- Youth & Family Support Partner
- Clinical Team Leader
- Nurse Care Manager
- Psychiatric Consultation
- Medical Consultation
